## **COLDPLAY TEAM UP WITH NME FOR SPECIAL COMEBACK SINGLE RELEASE**

### **Exclusive Vinyl with Brand New Material - Totally Free**

Coldplay are giving away their comeback material for free, exclusively with NME.

The band who are gearing up to return with their forthcoming album 'Viva La Vida Or Death And His Friends' in June, will return with their first release since 2005 with an exclusive vinyl given away free with NME on May 7.

The seven inch vinyl will feature brand new song 'A Spell A Rebel Yell', that will not be available anywhere else plus 'Violet Hill', a song that will appear on the band's forthcoming album.

The limited edition vinyl is sure to be a collectors item for all Coldplay fans, using artwork from Violet Hill this will be the only way fans can get hold of new material until the album is released in June. To pre-order a copy go to [www.nme.com/store](http://www.nme.com/store).

The giveaway sees Chris Martin and Co taking a leaf out of Babyshambles and The White Stripes' book. The White Stripes first release from latest album 'Icky Thump' was a vinyl-only single 'Rag And Bone', which NME gave away free back in June 2007 and this was followed by an exclusive Babyshambles exclusive vinyl release of Delivery with NME in September 2007.
